General Orders,  
No 49.

I. The following regulation is made and will hereafter be observed in the Army, relative to the clothing of deceased Soldiers;

Upon the death of any Soldier the Surgeon in charge of the Hospital at which it occurs, will cause an inventory to be made of all his military clothing, and will make a fair appraisement of each article thereof. It will then be turned over to the nearest Quartermaster for seizure. The original appraisement shall be forwarded to the Second Auditor to secure its value to the personal representatives of the deceased soldier, and a copy thereof be furnished to the receiving Quartermaster, who will give the clothing at the appraised price, and not at the rate set forth in General Orders No 100, last Series.
